Open House

WEDNESDAY, FEBRUARY 21, 2024, 1-3 P.M

Please join us for a celebration of the end of our academic year and a successful end to our first annual fundraising campaign. Mingle with old and new friends over light refreshments, enjoy some fun interactive entertainment provided by artist Amy Dapice and musician Teh Kittikul, check out our second hand sale of books and other items, celebrate our accomplishments over the past year, meet our new staff, and learn about future LLL plans.

- Interactive entertainment
- Refreshments
- Meet and Greet
- Used book and tag sales
- Slide show of LLL activities in 2023

This is a free event, but registration is requested so we can prepare enough chairs and food!

Hope to see you at the Lifelong Learning Center on February 21st
