

SING-ALONG WITH TEH

Join us for a relaxing afternoon of listening to and singing songs of the 50's, 60's and 70's with guitarist and vocalist, Teh Kittikul. This event is free, but Teh will have his guitar case open for busking!

Left: Teh, circa 1983, busking in Boston, USA. Right: Teh today

Niratisai (Teh) Kittikul is a professional musician who has performed in many venues in Chiang Mai over the past 40 years. A 1984 graduate of Berklee School of Music in Boston, USA, Teh earned money to support his studies by busking in the Boston subways. He loves to perform, especially "oldies" from the 50's to 70's, and he always encourages audience participation.

Teh led a sing-along at our February Open House which was a highlight of the event. We are delighted that he will lead another one for us in July. Song sheets provided, but you can also submit requests of other songs.
